The Recipe for a Perfect Wedding

Diamond Wedding Package Wedding Planner

This package is perfect for the couple who would like a wedding planner to take charge and organize all aspects of their wedding, but remain involved with the process. We recommend and book vendors, but you will sign the contracts. This package also includes all the ingredients from the Sapphire Wedding Package, Day of Coordination. We will be at the venue walkthrough with the caterer, orchestrate your Rehearsal, and on your wedding day, we will be onsite to manage and organize all vendors and to heed attention to every detail as you imagined it, leaving you stress free and able to fully enjoy your special day.

- Overview planning meeting with couple to discuss vision, style, and any special needs
- Create a wedding budget and recommend vendors that match the couple's style and budget
- Design wedding look/theme/décor
- Recommend and book the venue for ceremony and reception
- Recommend and book the officiant
- Review, negotiate, and book vendor contracts
- Recommend and order wedding invitations, save the date, escort cards, table signs, and thank you cards
- Suggest hotels and negotiate rates, secure accommodations for out-of-town guests
- Recommend and book venue for rehearsal
- All elements of Sapphire package
