## The Recipe for a Perfect Wedding

### Emerald Wedding Package Wedding Consultant

This package is perfect for the couple who needs a little more help consulting with the wedding plans from design, planning, and management of the couples wedding. We recommend vendors, and you make the choice and confirm the contract with each vendor. This also includes all the ingredients from the Sapphire Wedding Package (Wedding Day Coordinator). We will be at the venue walk-through with the caterer, orchestrate your Rehearsal, and on your wedding day we will be on-site to manage and organize all vendors and to heed attention to every detail as you imagined it, leaving you stress free and able to fully enjoy your special day.

- Overview planning meeting with couple to discuss vision, style, and any special needs
- Create a wedding budget
- Recommend venue for ceremony and reception
- Recommend officiant
- Suggest flow of ceremony
- Recommend vendors that match a couple's style and budget, including caterer, photographer, florist, dj/band, musicians for ceremony
- Recommend cake vendors
- Review vendor contracts
- Recommend invitations and save the date
